

Zachary Siatkowski

EDUCATION

B.S. in Computer Science – Siena College – Expected graduation: May 2016

GPA: 4.00

President's List: Spring/Fall 2014, Spring 2015

EXPERIENCE

Summer 2015 – REU Research project at Siena College, sponsored by NIST: Designed and implemented a system to intelligently suggest activities based on user profile and location on a team. Developed skills relevant to working on a team and working on a project long term.

SKILLS

Problem solving – I enjoy working on and finding solutions to technical challenges.

Diligent learner – I am not satisfied with simple practical knowledge; I strive to fully understand topics of importance/interest to me.
