Dustin Clark

Address: 1216 Hudson Ave., Stillwater, NY 12170
Phone: (518) 338-7543
Email: DustinOwenClark@gmail.com

Objective
Seeking an internship position in a computer science-related field with an emphasis on software engineering or database.

Education
Bachelor of Science, Computer Science and Mathematics   May 2014
Siena College, Loudonville, NY   GPA: 3.87

Skills
Platforms: Windows, Mac OSX, Linux
Languages: Java, JavaScript, Erlang, Python, HTML, CSS, SQL
Courses: Web Design, App Development, Database Management, Object-Oriented
                    Programming, Software Engineering, Analysis of Algorithms

Related Experience
Internship, DePauw REU Program, Greencastle, IN   Summer 2013
- Problem-solving using Parallel Computing
- Created a solver for the board game Ricochet Robots
- Used various methods to parallelize multiple search algorithms

Significant Class Projects
Ticket To Ride, Object-Oriented Design and Programming   Spring 2013
- Collaborated with a group to create a 4 player interactive graphical version of the board game Ticket To Ride

GMC Truck Membership Mapper, Software Engineering   Fall 2013-Present
- Worked with 4 other Seniors as a team to produce a mapping of users from a GMC truck forum
- Developed team website
  http://oraserv.cs.siena.edu/~perm_bitsize/

Publications
"Parallel Implementations of Search Algorithms," MCURCSM, 2013,   November 2013
