# Client Meeting Notes

1/31/11

Daniel Rotondo, Akeem Shirley, Britt Lintelman

<u>Add to requirements</u>

-each menu item/page-on-site needs to have its own link that will go directly to the page wanted.

<u>Things to work on</u>

- Start working on calendar pages
    -if its before or after a semester have the page go directly to the top of the calendar
    -if the current date is in the calendar, have the calendar centered at that page
