Client Meeting # 15

Dan Rotondo

April 11, 2011 (1/2 hr)

- Talk about what we should be doing as far as entering data in database.

- Wants us to get rid of the "Home" header on the home.php page.

  - Add picture of "hands" from current site.

  - Check if it's ok (copy right laws) to use the SE picture on homepage.

- **Functional Requirement**: make notification if user (on and of the calendars) inputs a value outside of the semester).

- **Functional Requirement:** add links to other semester calendars on each calendar page (SEI and SEII).
