

D&C Solutions Client Meeting #3

Date: 10/03/12

Time: 2:00pm – 2:30pm

Client: Michael Papadopoulos

Attending: Vincent Hueber, Hans Hansen, David Scirto (notes)

Attempt to register prohibited guest

- Email notification that guest is prohibited
- Email to dean

Confirmation email

- Possible confirmation link sent in email to overnight host (similar to changing password on some websites)

Database

- When year ends, archive data from that year
- Repopulate with new student DB
- Find way to automate this process
- Notifications when nearing registration quota
 - o Offer option to manually shut down registration

System log-ins

- No individual log-in for Public Safety officials

Miscellaneous notes

- Strictly student registration (not for faculty, etc)
- SID (not SSID)
- ITS currently maintains system
- Aesthetics of registration are important
- Possibly send confirmation form in PDF format
 - o Does not allow for editing, protecting against forgery
 - o Allows for uniform structure of form for printing
