Client Meeting
07 February 2014
CS Library
3:45 PM – 4:00 PM
Attendance: Abigail McCarthy, Patrick White, Peter Truong, Darren Lim

- Did not have the compiler

  - Need to move compiler from Laptop to Software Engineer Desktop

- Showed the prototypes of login screen and roles based on the login

  - Other screens

- Default to which role (faculty / course coordinator)

- **Lim really wants to see the interface of making a question**

  - Denis has started on it

  - **Lim would want to see it next client meeting**

  - Prototypes do not have to be live. Draw them out first

  - TUESDAY

- Scrolling feature of the interface

- **Lim wanted to view the prototype for making a question from binder of preliminary design**

  - Lim wants it finished by Tuesday

    - Possible functionality

- Next Client Meeting

  - 11 February 2014 -> 6:00 PM

    - Prototype of Create Question Interface
