November 6, 2013
8:30-10:00
Software Lab
In Attendance: Luke Greiner, Denis Kalic, Peter Troung, Robby Tateo, Pat White

Abigail and Peter-Working on Data Flow Diagrams
Pat-Prototypes
Luke and Denis-Compiler
Robby

Luke, Denis, Pat are attending the next client meeting—Friday November 8, 2013 @ 3pm
- Data Flow Diagrams and further prototypes should be finished to show client during next meeting

Next Team Meeting—Sunday, November 10, 2013 @8:15

Further Questions:
- Clarification of where information for accounts is coming initially and how the administrator is going to get access to the information. Is this something we need to worry about in JPREP
