

## Team Meeting

Software Lab

7:30 PM – 8:00 PM

Attendance: Abigail McCarthy, Robert Tateo, Denis Kalic, Luke Greiner, Patrick White, Peter Truong

- Review on what was discussed in the previous client meeting
- Finalize database logging in
  - Database troubles in logging in
  - Collaboration with other teams to compare their success in logging into the database
- For upcoming client meeting, begin drafting possible screens:
  - Faculty creating a problem and listing it as an assignment for a course
  - Student logs in and attempts to answer a problem
