

TCP/IP Packet Descriptor Software Plan

Welcome
Mr. Ken Swarner

Software Plan Presentation

Roger Bacon Room 328

October 1, 2004

- Matt DeCrescente Introduction & Conclusion
- Jill Foster Project Definition
- Das Nobel Project Plan

Team Members

Team Structure: Democratic Decentralized

- | | |
|--------------------|----------------|
| ■ Matt DeCrescente | Team Leader |
| ■ Eric Fish | Systems Admin. |
| ■ Jill Foster | Librarian |
| ■ John Mooney | Consultant |
| ■ Das Nobel | Webmaster |

Project Definition

- Problem Definition
- Goals for the Project
- Constraints
- Planned Functions

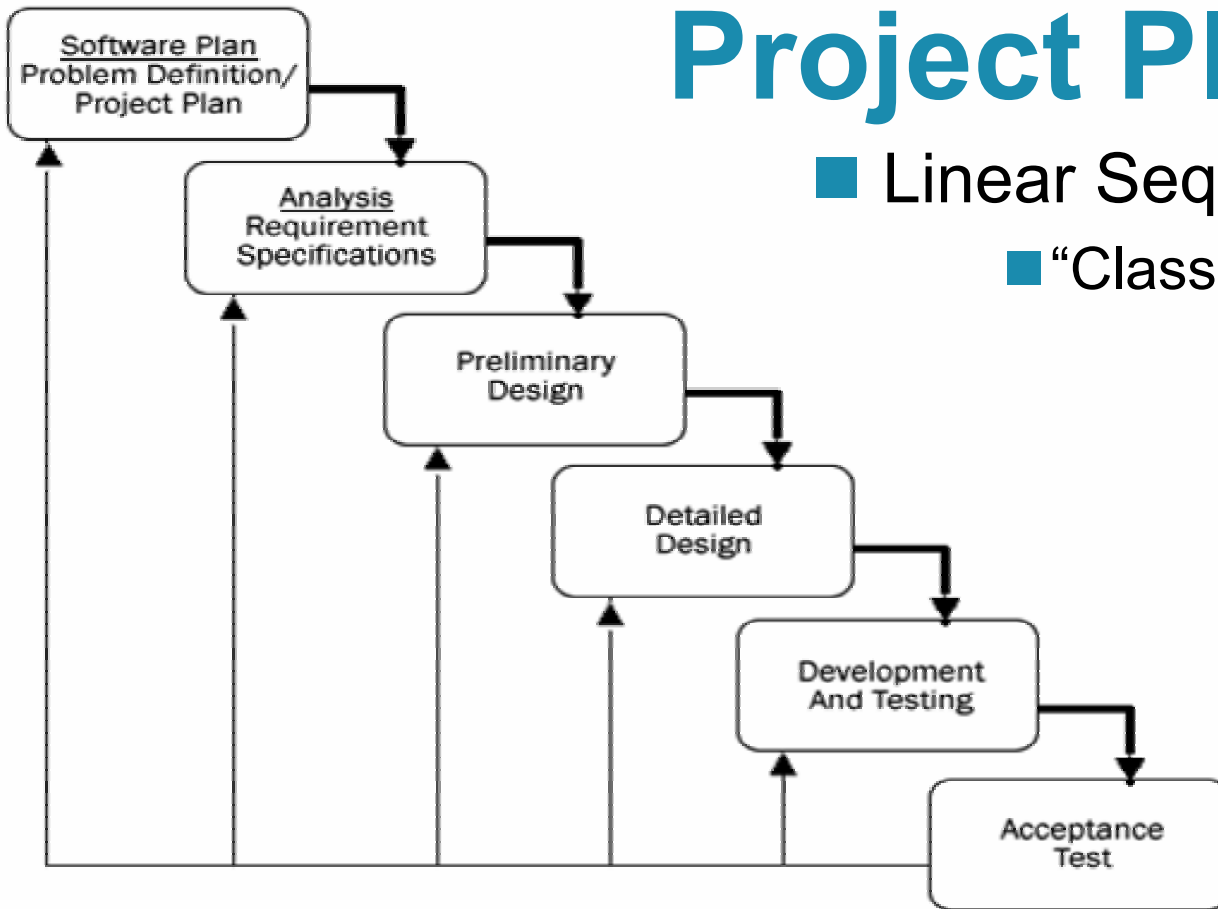

EdgeTech Development
We are always on the cutting edge!

Project Plan

- Linear Sequential Method
- “Classic Waterfall Model”

Key Schedule Dates

■ Software Requirements Specifications

- Documents Submitted: November 1, 2004
- Presentation: November 5, 2004

■ Preliminary Design

- Documents Submitted: December 6, 2004
- Presentation: December 10, 2004

Summary

Any Questions?
