

Team Meeting #3

Software Plan:

- Everyone get sections of Software plan done. If anyone cannot finish their sections, let the team know so we can accommodate for the rest of the work.
- Both copies of Resume, Work Logs, and all assigned sections are due to Steph by Wednesday night.
- Also make sure to have team evals done.
- Cover problem definition in Client Meeting

PowerPoint Agenda:

Introductions (Dave)
Problem Definition and System Justification(Steph)
Constraints and Goals (Marco)
Development Tools/Resources (Paul)
Waterfall Model/Methodologies (Tom)
Timeline (Dave)
