Darren – Zachary, Anthony, Matthew, Renee  
October 9, 2011

### **2<sup>nd</sup> Review of User Case Narratives**

Review and went over corrections

Picky on “can, will, would, could, that, which”

Other than that they are much better

Continue to reread sentence by sentence and make sure it’s exactly what you want it to say.

### **To Do List**

Work on Activity and Development Diagrams
