

3rd Team Meeting

Zachary, Anthony, Matthew, Renee, Michael
September 19, 2011

Over All

- Came together as a team to discuss where we were as a whole, with the team and with the project
- Asked any questions that we had about the problem .
 - “How exactly does the programming contest work?”
 - “How did the old system work?”
- Went over each topic and subtopics of the Software Plan.
