Agenda

Introduction & Summary:
Raymond Navarette

Problem Definition & Project Plan:
Whitney Cave

Development Schedule & Supporting Documents:
Patrick Durham
Problem Definition

- Hundreds of Spreadsheets, Five Professors
- What we offer:
  - A paperless solution
  - Automatically generated reports
  - Less time consuming
Project Plan

Where we are:

- Software Plan
- Requirement Specifications
- Preliminary Design
- Detailed Design
- Acceptance Test
Project Plan

The next step:

- Software Plan
- Requirement Specifications
- Preliminary Design
- Detailed Design
- Acceptance Test
Supporting Documents

• **Software Requirement Specifications**
  – October 24, 2005
  – Presentation: October 26, 2005

• **Preliminary Design**
  – November 28, 2005
  – Presentation: November 30, 2005

• **Detailed Design & Acceptance Test**
  – Spring 2006
Summary

Requirement Specifications
