Quantum Technologies: Meeting #2
Friday September 13th, 2013 at 1:30 PM in CS Library

Questions for client:
1) Can team leaders view evaluations from those from an upper hierarchy?
2) Should there be a graph of the hour tracker displayed? If so, who has access to view this graph?
3) What are the specifications for usernames?

Goal: Have software plan completed by Friday, September 20.

At Monday's meeting, discuss the agenda and work on software plan.

Meeting Time: 30 minutes

All team members were present.
