

Client Meeting 11/14/12
Kelly, Carl, Tyler
Start 5:57

Notify

Conference chair can submit.
Check like reviewer to make sure he hasn't submitted that type of submission
One button send out all acceptance and rejections at same time
Create list of who to accept and who to reject
Conference chair doesn't need notification – committee chair does
Each committee chair configure acceptance and rejection notifications

Contact

Likes this. Don't actually have to implement this because of mail server

Reviewer Registration

Check boxes – fixed set of categories that can be configured by conference chair
Any number of interests can check 0.
Need to identify school in regular registration- affiliation (school/company)

Registration activity flow

Start from front page
Rest seems okay

Review activity flow

Looks good

Sign up to be submitter

Guest speaker – conference chair set up their account as presenter
A submitter cannot change role to presenter
