

S.E.E. Solutions  
Client Meeting Notes  
11/6/12  
Kelly Bedard, Tyler Mann, Brett Rudloff

Start 1:30 P.M.

### **Presentation**

- Someone possibly devoted to maintaining the system site.
  - o Initial ideas on how the website is going to work

### **System**

- Need an authentication page
- After log in do you sign in as a user or are presented with your role's page
  - o Layout both ways
- No limit while registering but if registering on site than you may be limited.
- As conference chair, they can add additional costs on certain things.
- Minimize scroll in the system.
- For whatever school or organization the system should be allowed to upload their logo.

### **Activity Diagram**

- Activities we will start with are submit, creating schedule and register.
- For the registration things people will need are, but not limited to: e-mail, meal, what can you buy, banquet tickets, student/non-student
- Submit: upload

### **For Next Meeting**

- Draw out the main pages for roles
- Activity diagrams for submit, create schedule and register.

End 1:55 P.M.
