Which floor would you like to view?

First Floor

Second Floor

Third Floor

Roger Bacon

Roger Bacon, OFM, was an English philosopher and Franciscan friar who placed considerable emphasis on the study of nature through empirical methods. RB is Siena's original science building and is adjacent to the Morrell Science Center. RB houses the Computer Science, Math, and Physics Departments.

DEMO

SPRINT 1

As a faculty member
I want to update my information
So that it is the most current and relevant

As a faculty member
I want to be able to register with the site
So that my information is available

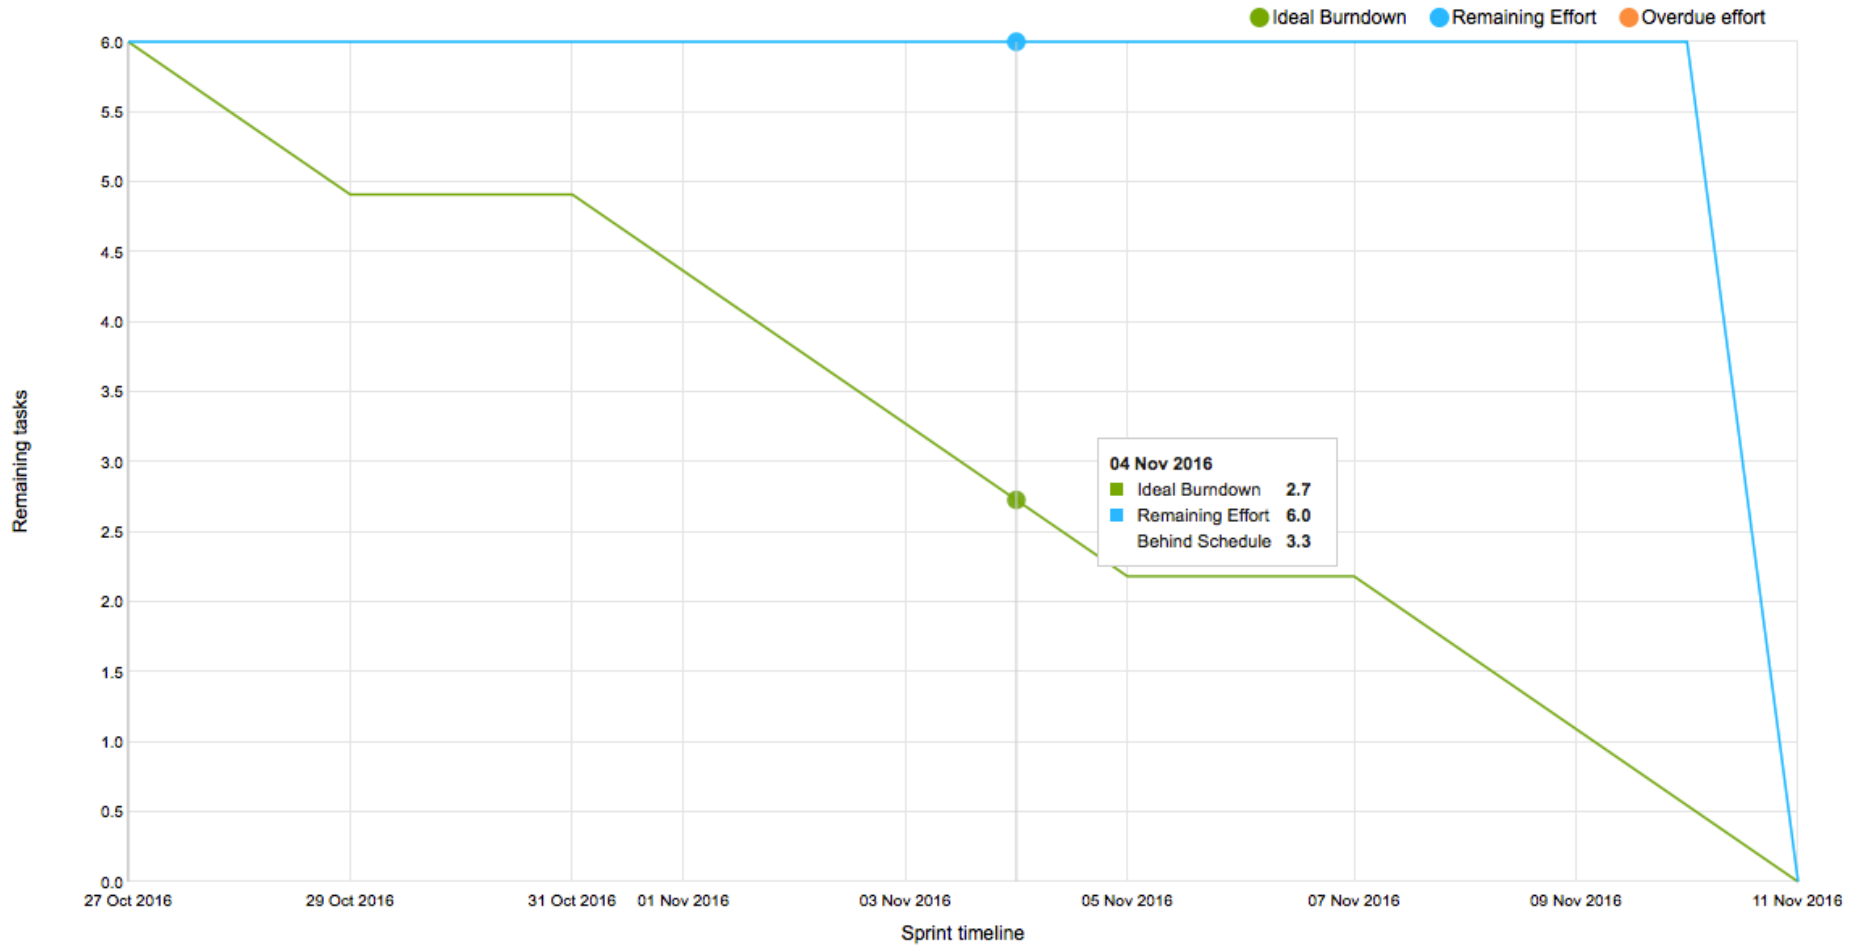

As an admin
I want to be able to update and delete information for all users
So that I can maintain the site

As an admin
I want a hidden page where new admins can be added
So that new administrators can be given permissions

As an admin
I want to login
So that I can edit any and all information on the site

As an admin
I want a hidden page where new admins can be added
So that new administrators can be given permissions

As a faculty member
I want to log in
So that I can edit my information

SPRINT 2

As a user

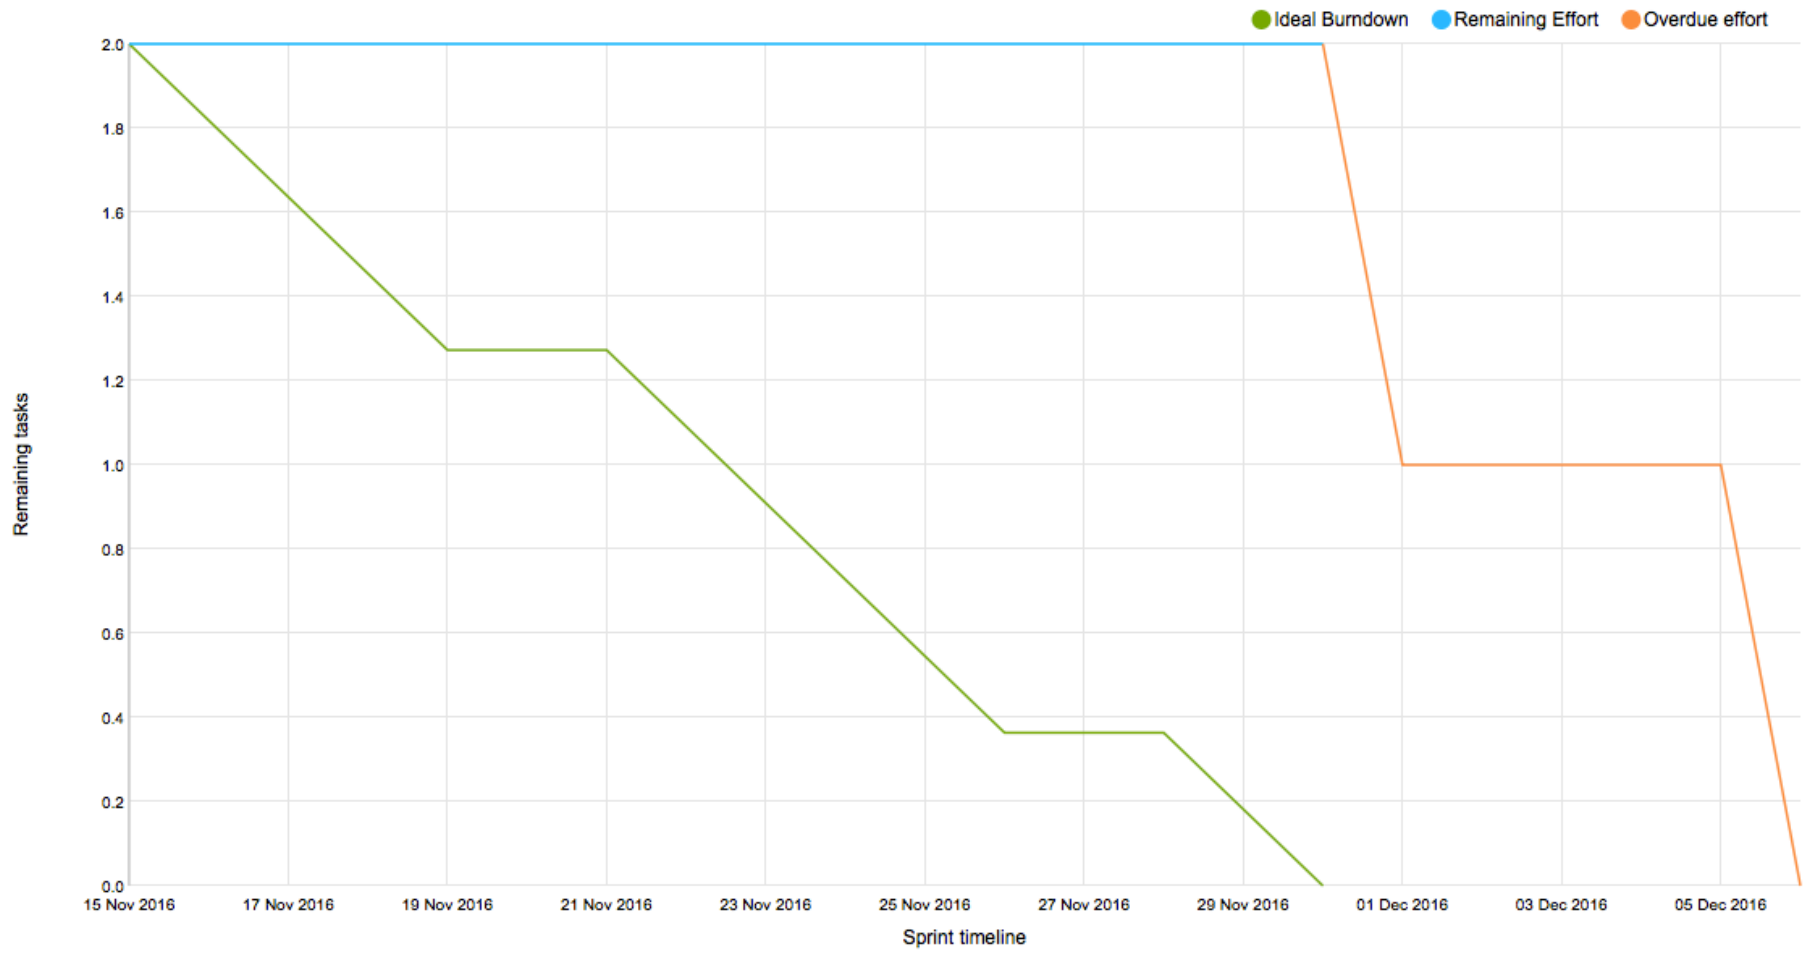

I want to easily navigate and use the site

So that I can access information

As a student

I want to view all of the rooms

So that I can access those rooms for studying

Velocity: 28.5

retrospect

thank you

questions?
