# Project Overview

# Sprint 1 User Stories

- As a professor, I want to be able to login, so that I can access my account.
- As a professor, I want to be able to have a home page, so that I can see all of my courses.
- As a DBA, I want the tables in the database to exist so that I can access and monitor the tables.

# Sprint 2 User Stories

- As a professor, I want to be able to login when I forget my password, so that I can access my account.
- As a professor, I want to be able to have an archive of problems, so that I can choose problems already created.
- As a professor, I would like to create a question so that I can assign it later as an assignment.

# Velocity Measurement

16 User Story Points per sprint

# Improvements for Sprint 2

- Started work earlier
  - made self assigned deadlines
- Had More Meetings
- Tried to move things over on YouTrack when we actually worked on them
