

SPRINTS 4/5

MYERS BRIGGS 360

WHAT IS IT?

Tool that allows users to send Myers Briggs test to people they know to help better identify their myers briggs type

BENEFITS

Eliminate Bias

Allows subject to see what others view them as

Increases overall accuracy of type identification

SPRINT 4

MYERS BRIGGS 360

USER STORIES

As the user,
I want the subject's name in the questions,
so that I always know who I am taking the test for.

As the user,
I want all my identified Myers Briggs type to be aggregated with
increased accuracy
So that I can have a final Myers Briggs type

As the user,
I want a large display of my MB Type on the Homepage,
So that I know the breakdown of my type

SPRINT 5

MYERS BRIGGS 360

USER STORIES

As the user,

I want the 16 MB Type descriptions stored somewhere, so that when I finish taking the test it can show up

As the user I want a more detailed chart on my homepage so that I can understand my results better

As the user I want more choices for choosing my relation to the test taker so that I can better describe them

BURNDOWN

SPRINT BURNDOWN CHART

VELOCITY

- 5 Story points completed in first sprint
- 20 story points completed in second sprint
- 55 story points completed in third sprint
- 37 story points completed in fourth sprint
- 23 story points completed in fourth sprint
- Velocity is 28 points per sprint

RETROSPECTIVE

- Delegate Work
- Better Communication
- Meet more often as a team

REFLECTION

- For this Sprint we had a Google Doc with all deliverables and assigned roles and marked things off as they were completed

DEMO

WHAT WORKED WELL

- We communicated effectively with the client and we were able to create what she wanted

WHAT WE'D DO DIFFERENTLY

- Start delegating work right at the start
- Meet more often as a team

**THANK
YOU**
