

Team Meeting

11/28/2011

Activity diagram and website map seemed to be approved by Dr. Lim.

Website will be graded on reading day – December 13th. WEBSITE MUST BE TOP NOTCH

Talk to Lederman about what else we can do for the structure diagram.

Make sure parts are prepared by Friday! – Sent to Steph

- Every process must be broken down to level 3 for UML

- Make sure to expand data dictionary as completely as possible

Updated resumes also must be submitted to be handed in with the preliminary design document.
