

Client Meeting
10/17/13
5:45 PM - 6:15 PM
Karl, Bryan, Connor

- Remove starcitygames from the list because it is encrypted and therefore not scrapable
- When parsing, the administrator can do whatever needed in order to get the correct info for when the advanced user searches
 - advanced user just wants the info
- Template idea for scraping seems good
- If table is scrollable, needs to be apparent in the prototype images
- Next Meeting: Thursday, 10/24 5:45 PM
