

Client Meeting

2/7/14

Software Engineering Lab

Everyone required to attend attended: Jackie, Katie, Karl, Dr. Darren Lim

11:30pm-11:45pm

- Talked About ER Diagram and Functional Dependencies
- We can assume we can have more than 1 administrator
- We can assume the Users in our system are separate
- Magic Card "Misc Num" should be changed to varChar and possibly renamed
 - Recommended to either show picture or description to tell difference between cards that may have same everything but different art. Example of Card with this problem: " Hymn to Tourach"
- Cards that had numbers started on Edition Exodus
- This was released in 1998
- This means that editions before this did not have cards with numbers
- Urza's Legacy was the first edition that had foiling
- This was released in February 1999
