Team Meeting
2/19/14
Software Engineering Lab
Everyone Was Present and On Time except Jackie
7:30pm-8:00pm

- We looked at the prototypes that Karl and Jackie have been working on
    - Basic html documents
    - Look good
    - They will continue to work on these
- Talked about the unit tests
    - Looked good
    - Connor will continue to work on them
- Bryan will work on the database
    - Still cannot get the login to work
    - Once able to, Bryan will set up the database and start to populate them with data
- Katie will make work on piecing together the detailed design document
- Meetings
    - Team: Wednesday 2/26 after class
    - Client: Friday 2/21 11:30 AM
