Software Plan Presentation
by
Initrode Solutions
9/23/2006
Welcome

Dr. Eric Breimer
Webmaster
Siena College
Department of Computer Science

&

Dr. Tim Lederman
Professor
Siena College
Department of Computer Science
Our Team

• Anthony Angelucci .......... Systems Administrator
• Charles Feltes ............. Webmaster
• Elise Hearn ................ Librarian and Software Engineer
• David Luck .................. Software Engineering Analyst and Design Consultant
• Christopher McConnell ...... Team Leader and Coordination Consultant
Agenda

- Introduction and Conclusion  
  - Christopher McConnell
- Problem Definition  
  - Charles Feltes
- Development Schedule and Project Plan  
  - Anthony Angelucci
Problem Definition

- Alumni portal
  - Similar to www.Facebook.com
  - Easy to access and update profiles
- "Alumni Spotlight"
  - Show achievements of Siena Alumni
  - Make Siena more memorable
System Justification

• Draw People to Siena College  
  – Prospective Students  
  – Parents of Prospective Students  
• Strengthen Siena Community
System Constraints

- Verification of profiles to ensure:
  - Legitimacy
  - No falsified or inappropriate profiles
- Secure Login Information
- Browser Compatibility
Fall Development Schedule

• **Software Requirements Specifications:**
  – Documents Due: October 23, 2006
  – Presentation: October 25, 2006

• **Preliminary Design:**
  – Documents Due: November 27, 2006
  – Presentation: November 29, 2006
Spring Development Schedule

• Detailed Design:
  – Documents Due: February 12, 2007
  – Presentation: February 14, 2007

• Acceptance Test:
  – Documents Due: April 9, 2007
  – Presentation: April 11, 2007

Summary

• What is our next step?
  – We plan to fully understand the problem at hand
• Any Questions?
Conclusion

~Thank You~

The Initrode Solutions team looks forward to working with our clients to complete this unique project.

A special congratulations to Dr. Breimer on the new addition to his family!
