

MAJIK Software Solutions
Team Meeting #5

October 3, 2006

5:00-6:00pm

AGENDA

1. Attendance taken – everyone on time.
2. Discuss screen mock-ups/prototypes
 - see Client notes 10-3-06 for visual specs
 - Kevin will create some for our next client meeting
3. Visual Analyst – Ian will work on this.
4. Functional Requirements Inventory
 - bulleted list from use case narrative
 - due 10/23 – get everything together for 10/18
5. Miscellaneous
 - Prototype for clients could include the search option.
