

MAKER Technologies – Team Meeting #7

Sunday, October 5, 2014

7:00-8:00

SE Lab

Agenda:

- Create User Case Narratives
- Create UML Use Case Diagram

Completed User Case Narratives

Completed Use Case Diagram

Questions for Client Meeting tomorrow:

1. How will username and passwords be generated
2. Does the Administrator generate the profiles or is this done automatically by our system?
3. Should the form for creating profiles be hosted on our system or external?
4. Suggest ideas for communication between alum and students.

Andrew, Ryan, Eduardo and Marissa will attend client meeting 10/6/14 at 11.
