

Preliminary Design

Automated Excel Grading System

Welcome

Ms. Jami Cotler and Dr. Scott Hunter
And Guests

Agenda

- Project Overview - Brian
- Data Flow Diagrams - Josh
- Unit Testing - Jim
- Prototype Screens - Vinnie
- What's Next - Brian

Project Overview

- Web Based System
- Students submit labs and pre-labs
- System grades files
- Error reporting
- Keeps track of grades

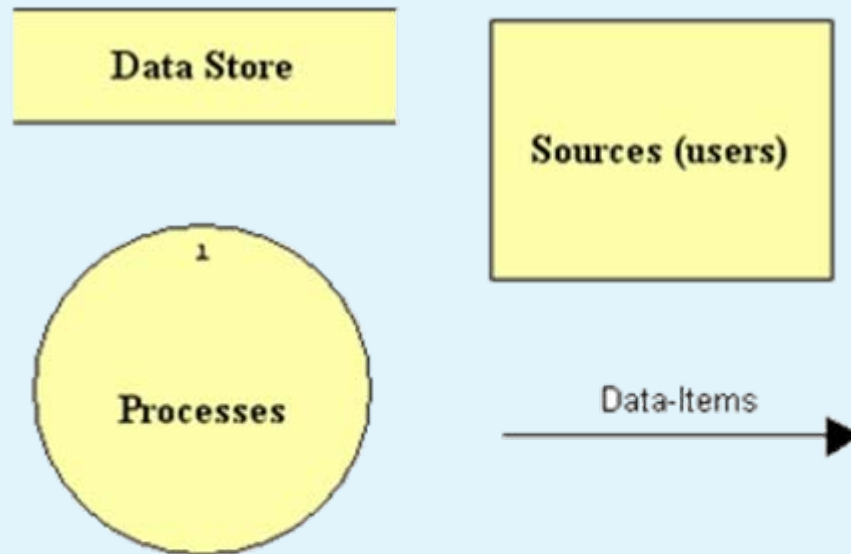

Agenda

- *Project Overview - Brian*
- **Data Flow Diagrams - Josh**
- Unit Testing - Jim
- Prototype Screens - Vinnie
- What's Next - Brian

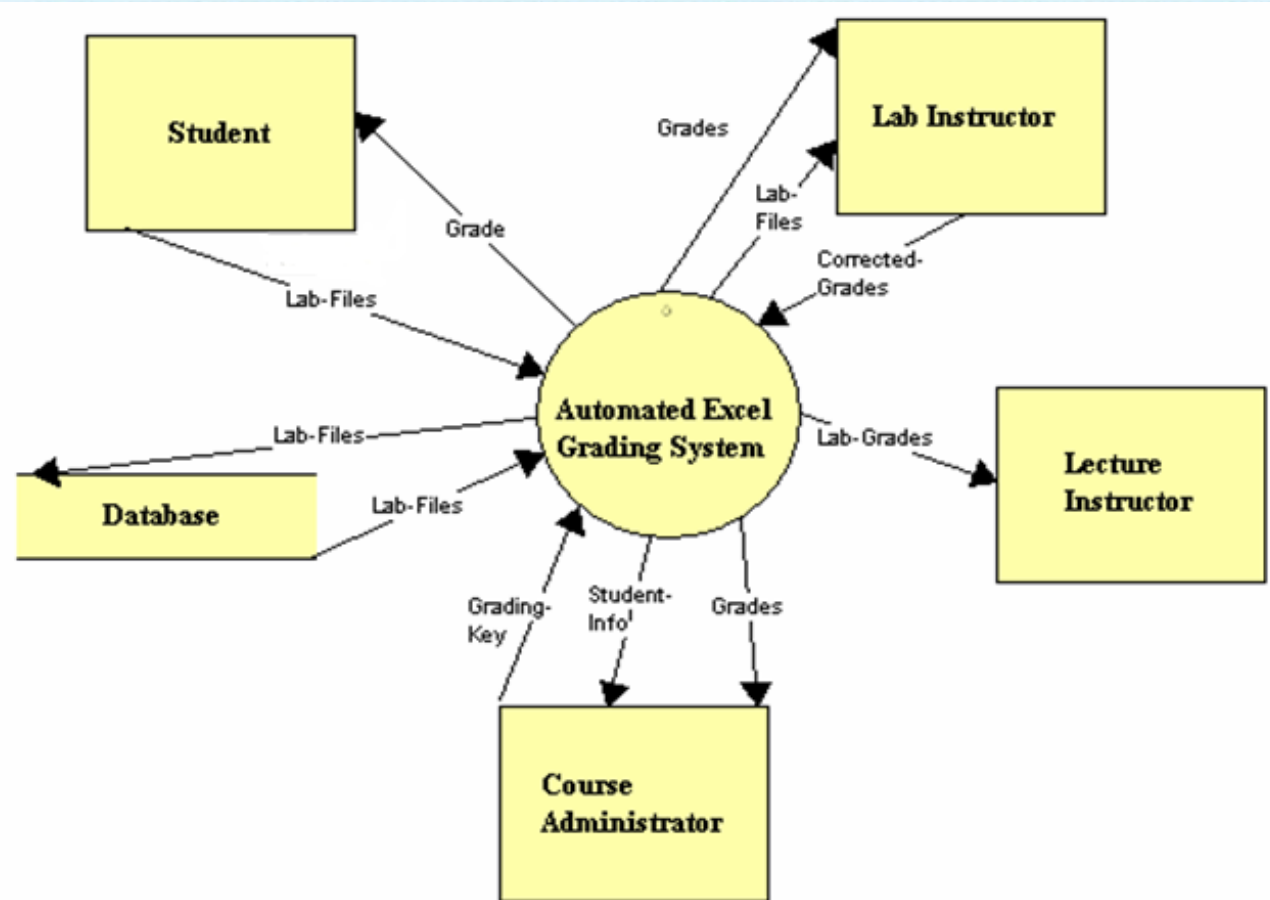

Data Flow Symbols

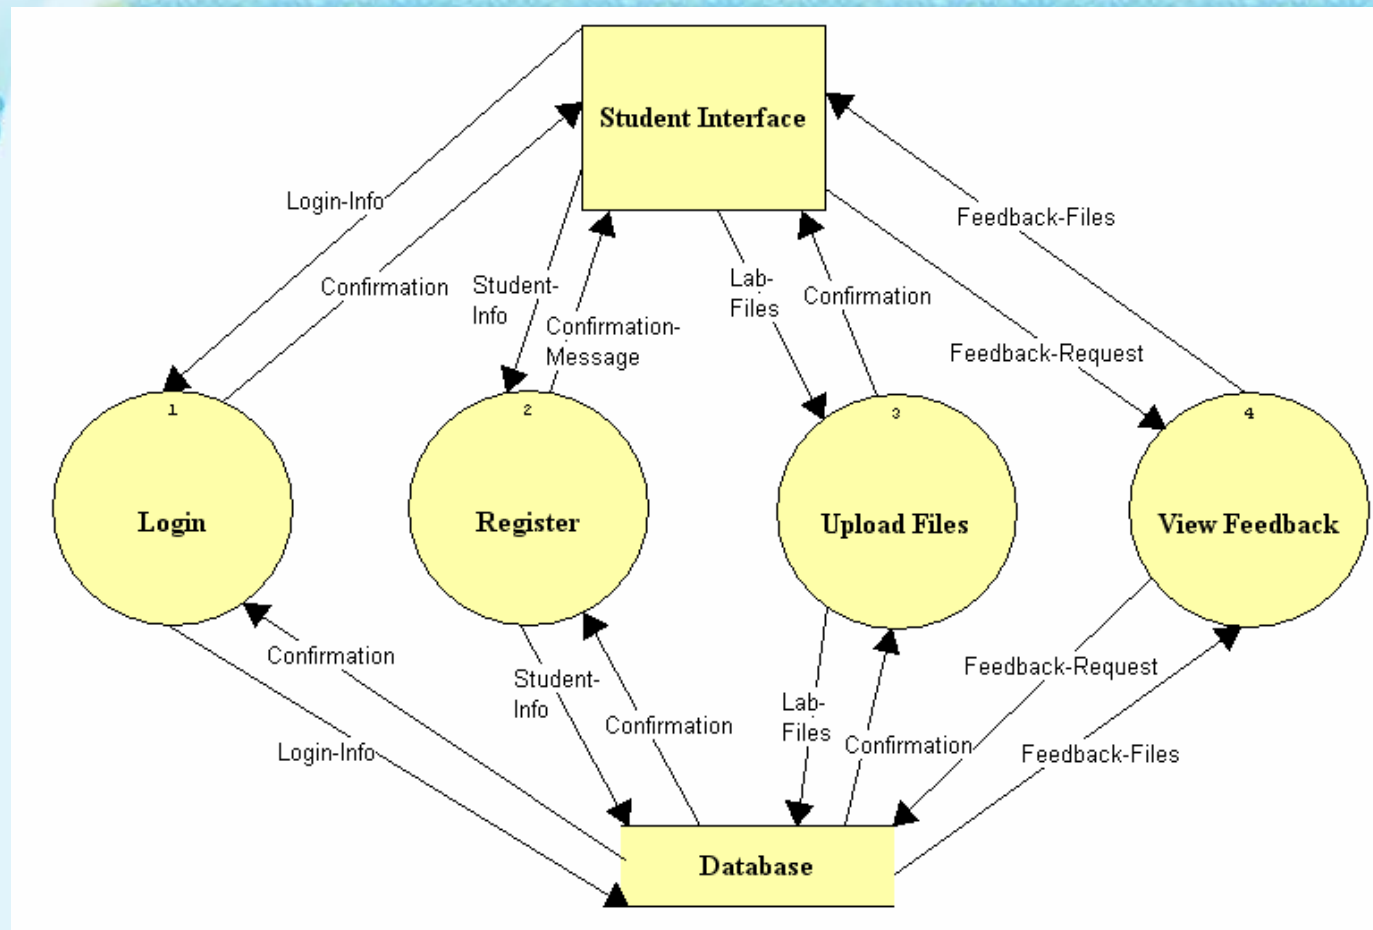

Context Diagram

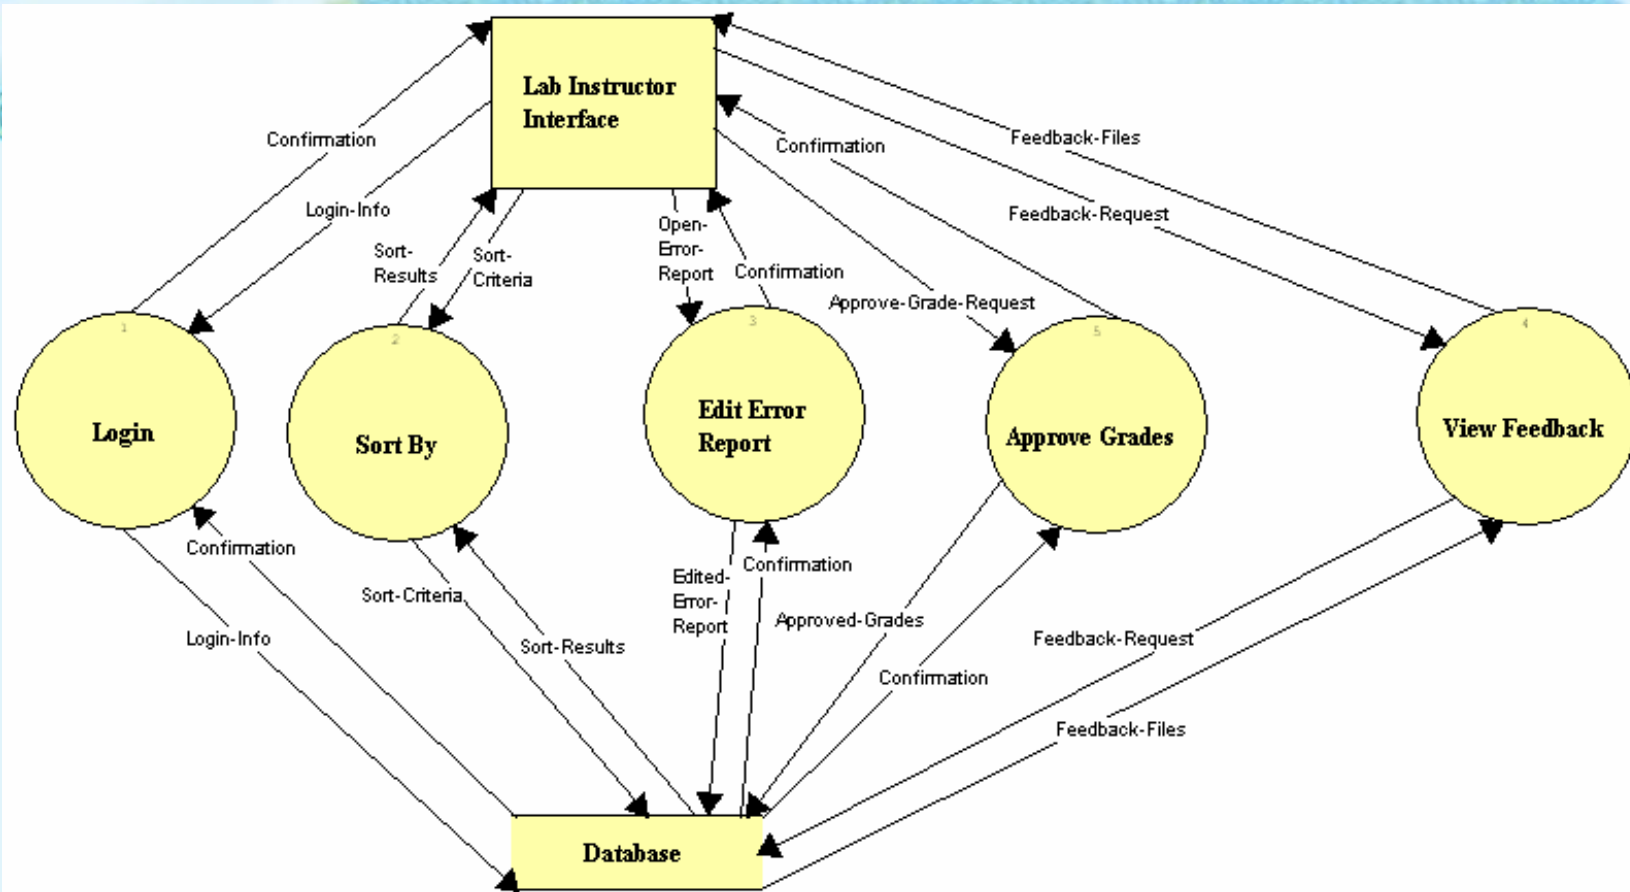

Level 1-Student User

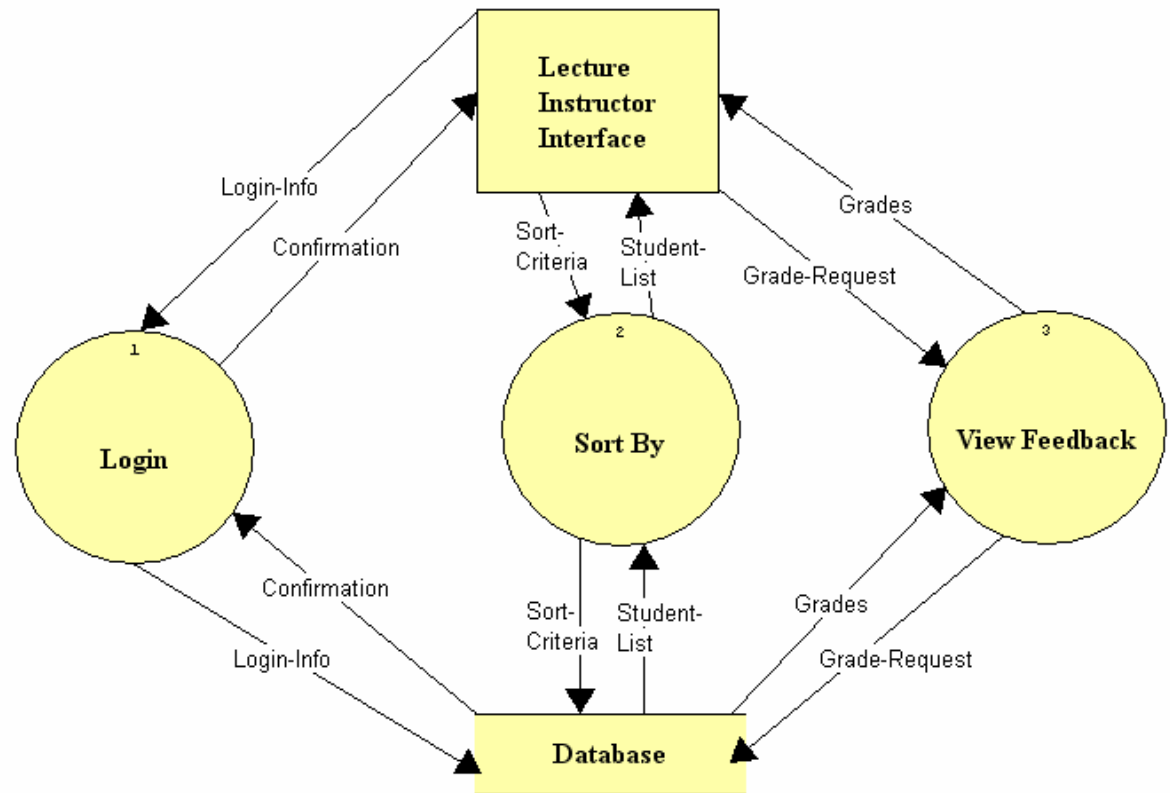

Level 2- Lab Instructor

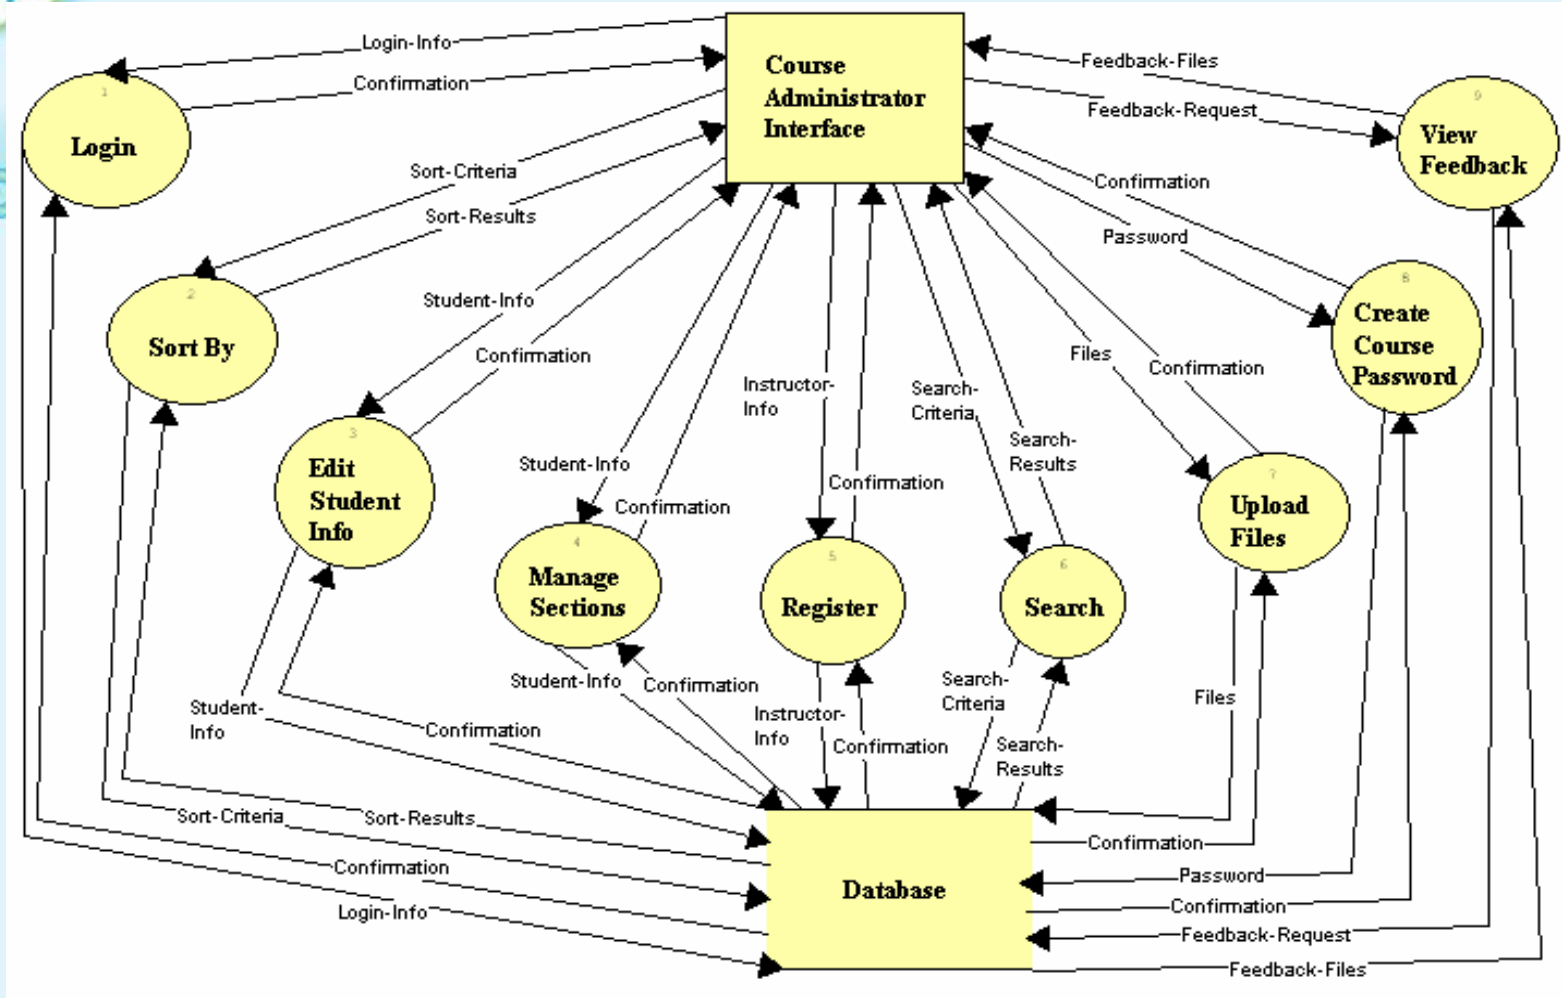

Level 3- Lecture Instructor

Level 4- Course Admin
