Team Meeting #18
Test Plan / Detailed Design Meeting

Members Present: 5/5
Colin Cubinski
Daniel Nakhla
Matthew Restivo
James Rocco
Justin Valentini

Date: February 21\textsuperscript{th}, 2007
Start Time: 7:00PM
Location: Software Engineering Lab

Justin then assigned Dan and Matt to finish the GUI over break and have it ready for the presentation and also went over with them on certain buttons and links that need to work to show our clients the functionality. Justin would be working on the database making all necessary changes. James would be making the changes that we went over to the Test Plan Document. Colin would be responsible for creating the PowerPoint presentation.

End Time: 8:25PM
