Team Meeting #9
Status Meeting and Description of upcoming work

Members Present: 5/5
Colin Cubinski
Daniel Nakhla
Matthew Restivo
James Rocco
Justin Valentini

Date: October 16th, 2006
Start Time: 7:00PM
Location: Roger Bacon—Software Engineering Lab

1) This was a short meeting to make sure everyone was updated on their work logs and ready for the etiquette dining event. This was also a good opportunity to make sure everyone had scheduled a mock interview and were ready to start working on the Requirements Specification. The teams looked at a sample Requirements Specification document and collaborated on which component each member would be feel best doing.

End Time: 7:30PM
