Team Meeting #6
Prepared Requirements Specification Document

Members Present: 5/5
Colin Cubinski
Daniel Nakhla
Matthew Restivo
James Rocco
Justin Valentini

Date: October 23rd, 2006
Start Time: 7:00PM
Location: Software Lab in Roger Bacon

1) The Team met and worked collaboratively on the entire Requirements Specification document having each member check and critique the other’s work and ensure that it was of quality work. Some issues with the data flow and screenshots were addressed as were issues with technical writing. The team worked together on finishing the Requirement Specification Document and making sure that it was of acceptable standards.

End Time: 7:30PM
