Attended by: Ryan Egan and Shannon Pfohl

Thursday November 13, 2013

- System administrator page:
  - First thing that admin sees when opening to the home page is:
    - Menu at top
    - Dashboard of active projects with project name, team leader, and total hours
    - Something like this for the dashboard:

Project Name	Team Leader	Total Hours
PRISM	Shannon Pfohl	220
GRASS	Dirty Don	122
DUCK	Dick Quax	632

  -
    - If you click on team leader SA can email team leader
    - If you click on project name SA can email whole team
- Login Options:
  - If forgotten: can email system for system to email password
    - Hit button that says "forgot password" then email arrives in employee's mailbox seconds later
  - Can try to do more for foreseeable modifications
- Displaying Average Hours:
  - Graphs!!!
  - GREAT!!!
