

Start of Semester Meeting: Wednesday February 11, 2015, 10:00-10:45am
Attendees: Anna Grant, Mary Ritchie, Roberta Sandler, and Mary Partridge-Brown

Notes

- Reviewed previous semester's plans
- Discussed details for how to set up inventory
 - need a list of items for categories (created by Mary and Roberta)
 - will be an "other" so that everything has a place
 - want a predefined drop down list of items so inventory is organized
 - items will have the known amount already tied to them so the employing wont have to manually enter it
 - entering will include: item, amount, size
- Decided not to implement community program for work to earn store money until project is complete as originally intended

Next Steps:

Mary and Roberta to send inventory items list with corresponding prices.

SMARK Solutions to complete Detailed Design plans.
