

## SMARK Solutions

Date: 9/16/2014

Time: 6:00 PM - 7:00 PM

Location: Software Lab

In attendance: All

### Notes:

Planned out how we were going to go about completing the software plan. First we looked over some examples of the software plans from the previous years and discussing the differences between what each group included in their plans. Next we decided upon what we wished to include and divided up the sections evenly among the group.
