SMARK Solutions

Date: 9/22/2014
Time: 12:00 PM - 1:00 PM
Location: Software Lab
In attendance: Sal, Anna, Mary, and Ryan

Notes:

We went over the powerpoint one last time and made minor changes where appropriate. Once we were satisfied with the presentation we went to the location of our presentation and did a run through of the slides and each of our parts. We decided that we would prepare for our own parts individually and that it was up to each person to pick what they felt was needed to do to prepare for the presentation the next day.
