

SMARK Solutions

Date: 11/21/2014

Time: 1:30 PM - 2:00 PM

Location: Software Lab

In attendance: All

Notes: The team meet with Dr. Fryling to discuss the status of the project and explain any difficulties that we were having with the project. Additionally, as it is Dr. Fryling's first year teaching the course, she asked if there were any aspects of the course that we felt that could be done differently or that could be added.
