SMARK Solutions

Date: 11/24/2014
Time: 10:00 AM - 11:00 AM
Location: Software Lab
In attendance: Mary, Ryan, Anna, and Sal

Notes: Meet as a team after everyone had added their individual parts of the preliminary design to the shared group document. We all read through the document to see if there were any changes we felt were needed. We made appropriate alterations, then assigned someone to finalize the style of the document.
