

CLIENT MEETING #4					
Date	10/02/2012	Start Time	7:00 PM	End Time	7:35 PM
Attendees	Chris Small, Alyssa Nghiem and Eduardo P. Barbosa				
Client	Dr. Darren Lim				

1. User Case Narrative Review

- A single person can act as many roles

Example: Some people can be a submitter, reviewer, conference chair and attendee at the same time.

Think about database choices but don't be concerned about this topic at this point.

- New requirements

Functionality of email reminder the user, it could be automatic or set up by a chair.

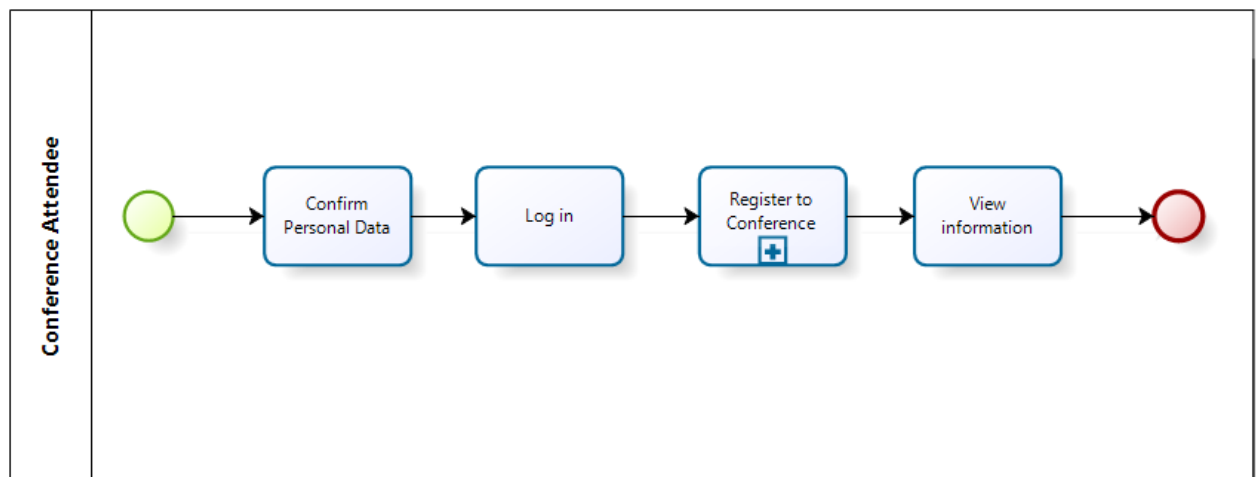

Functionality of lock down the system to reviews or extends deadlines by program committee Chair.

- Accounts set up

Accounts made for the contest teams.

Chair predetermined.

- Conference Attendee Process

Provide as much personal information as possible at the first time.

All the capabilities of the system should be outlined at this time

- Cases where the payment have to be confirmed as soon as possible:

Program Contest teams.

Authors registration.

Earlier Registration fee.

*Do not be worry about refunds at this time.

- A Reviewer doesn't have to necessarily be an attendee.
- The Submitter should be able to get reviewers comments add resubmit the work.
- Submission Process
